Dear Parent / Guardian:

We appreciate your ongoing support and understanding as we continue to navigate staffing challenges due to the job action from CUPE. We want to provide you with an update regarding our contingency plans and how they may impact student learning.

At this time, École Dansereau Meadows will **not** be implementing rotational at-home learning. We are committed to assessing the situation on a **week-to-week basis** and will communicate any necessary changes **at least one week in advance** should the need arise.

If adjustments become necessary, students and classes in **Grades 6 to 9** may be asked to stay home for at-home learning, **one day at a time** on a rotational basis. This approach would help provide additional teacher support for students remaining in school.

We remain dedicated to minimizing disruption to student learning while maintaining enough teaching staff to provide adequate instruction and supervision. We will continue to keep families informed. Please do not hesitate to reach out with any questions or concerns.

Thank you for your patience and cooperation.

Sincerely,

Janine Woronuk
Principal/Directrice
