Morning Class Times

8:10a.m.- Doors Open
8:15 - 11:05 a.m.

Arrival & Pickup Procedures

Students wait outside at their classroom pylon (side doors to the north of the school near the junior playground) with their parents. At 8:10 a.m. the supervisor will let the students into the school. I will greet the students at the classroom door. We encourage a “kiss and go” outside the doors. Students on the daycare bus will be picked up by an EA and brought to the outdoor lineups.

If students arrive late they must be signed into the school at the office.

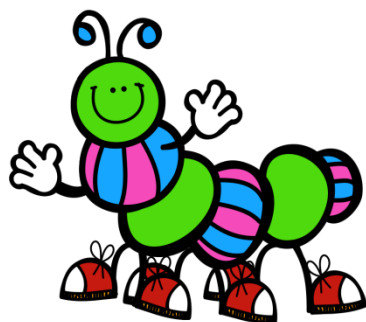

Students will be dismissed at 11:05 a.m. through the same doors. We ask that parents wait outside as the boot rooms cannot accommodate all the children and waiting parents.
