Caregiver Education Sessions

December 2021

These free 90 minute online sessions are intended to provide parents, caregivers, teachers, and community members with introductory information regarding mental health challenges that can affect children and youth.

Technology and the Teenage Brain Digital Wellness for Families

Technology is a huge part of our children's lives. Social media, video gaming, internet use, and cell phones may already be topics of debate within your family. Come together to discuss how modern technology can impact the developing teenage brain. As we review some of the risks and benefits of technology use, parents and teens will reflect on ways to stay safer and more balanced in their use of technology to better support positive mental health.

Date: Thursday, December 2, 2021

Time: 6:00 – 7:30 pm

Note: Caregivers and youth (Gr. 7-12) can attend together.

Sleep and Your Family's Mental Health

This session will look at the importance of good sleep quantity and quality for overall health, the factors that interfere with sleep, and sleep scheduling. We will look at healthy sleep hygiene strategies and sleep environments that can prepare our children for a good night's sleep.

Date: Monday, December 6, 2021

Time: 6:00 – 7:30 pm

Notes: For caregivers of children grades K-12; for adults only.

Supporting Self-Regulation in Elementary School Children

Do you wish you could help children handle strong emotional experiences? This session will define self-regulation and how it supports success in our child's day-to-day activities and interactions. It will provide a helpful review regarding the development of self-regulation in children and adolescents as well as how caregivers can support the growth of these essential skills.

Date: Wednesday, December 8, 2021

Time: 6:00 – 7:30 pm

Notes: For caregivers of children grades K-6; for adults only

More than Just a Bad Day: Understanding and Supporting Depression and Self-Injury in Youth

This session will help caregivers increase awareness about adolescents who might be experiencing sadness, depression and/or non-suicidal self-injury. We will explore factors that contribute to depression and potential motivations behind self-injurious behavior. Caregivers will learn about treatment options for depression as well as strategies to help support youth who may be engaging in self-injury.

Date: Thursday, December 9, 2021

Time: 6:00 – 7:30 pm

Note: For caregivers of children grades 7-12; for adults only

Resilience in Parenting Caring for the Caregiver

Being a parent or caregiver is both fulfilling and stressful. Our time, energy, and resources are spent ensuring that our children and youth are taken care of, but who takes care of the caregiver? In this session, we will learn more about parental stress and burnout, explore resilient parenting, and discuss why parental self-compassion and self-care are essential to your family's well-being. Strategies such as mindfulness and positive coping skills will be discussed.

Date: Monday, December 13, 2021

Time: 6:00 – 7:30 pm

Notes: For caregivers of children and youth grades K-12; for adults only.

Parent Feedback:

“I so appreciate the availability of sessions and that I can just watch and listen and notes and resources are sent after.”

“The topic and session time were perfect. The presentation was interactive and quite helpful. Look forward to attending other sessions.”

“Loved the talk. Timing was just right and convenient with working parents. The two speakers were very calming and supportive.”

Time: 12:00 – 1:00 pm

Notes: For caregivers of children grades K-12; for adults only.

Building Executive Functioning Skills

Promoting Success in Learning

Take a peek inside the developing brain of a child to learn about the processes that enable children to engage in problem solving and goal directed behaviours. Learn how these skills impact learning, behaviour, emotions, and social interactions. Review and discuss strategies to assist a child's executive functioning skills such as working memory, inhibition, and mental flexibility.

Part 1: Tuesday, December 7, 2021

Time: 12:00 – 1:00 pm

Notes: For caregivers of children grades K-6; for adults only.

Part 2: Tuesday, December, 14, 2021

Time: 12:00 – 1:00 pm

Notes: For caregivers of children grades K-6; for adults only.

SEEDS Growing Parenting Skills

Effective Consequences

In this final session of our SEEDS series, we will discuss different approaches you can take to address your child's challenging behaviour and how consequences can be a learning tool when offered compassionately and consistently.

Date: Wednesday, December 1, 2021

Time: 6:00 – 7:30 pm

Note: For caregivers of children grades K-6; for adults only.

*Caregiver who have not attended previous sessions in this series are welcome to register for this session.

Parent Feedback

“This was really amazing. I love that you (in a very gentle way) had parents focus on their reactions to their children's behaviour and how this can help or hurt the situation.”

“The presenters again are so personable and seem very genuine and empathetic.”

“Today is the first time I joined with this valuable lesson and it was really helpful me. I'll keep these ideas to work with my kids. Thank you so much!”
